MOTOR VEHICLE INJURY POLICY

Dr. Englehart's office is currently billing Personal Injury Protection (PIP) Motor Vehicle Insurance. If you have been in a car collision, please notify your insurance company and obtain an injury claim # as soon as possible so we may commence billing. You will be asked to complete paperwork, which may be downloaded from the website www.cathyenglehart.com or obtained at your first visit. Please arrive 10-15 minutes early to complete. Chiropractic care is effective and appropriate treatment for the types of injury resulting from collision and should be covered.

If you do not have PIP or have expired your PIP and your case is in a third party collection status, she requires payment at time of service and will provide a receipt with procedure and diagnosis codes so you can collect re-imbusement from your final settlement. If you are unable to pay in full, you may request an auto debit monthly payment plan with a credit card.

I have read and understand Dr. Englehart's Motor Vehicle Injury Policy.
